My name is Christine Pietrow and I am a very dedicated and determined mother of three children. My son, **Christopher Owen Pietrow**, was born with Down Syndrome on October 3, 2003. My children are the absolute pride and joy of my life, and that is why I started Our Little Hero, C.O.P. Christopher in all his abilities has become my little hero. It is a delight to share in his accomplishments everyday. This year marks Our Little Hero's 4th year and it is our goal to raise money to support vital programs and services for people with Down syndrome.

Down syndrome is a genetic condition, which affects physical, cognitive and language development. Approximately 1 in every 800 babies born is diagnosed with Down syndrome. You can help people with Down syndrome to realize their full potential and dreams by supporting the Our Little Hero, C.O.P.

Our Little Hero, C.O.P. is a non-profit organization that was founded by my husband and I with the sole purpose of raising awareness and funding for research for anyone of any age diagnosed with Downs Syndrome.

This year, we are hosting a Trenton Thunder Baseball game on June 30, 2008 at 7:05 pm. If anyone has had an opportunity to attend one of these games you know that not only is it great baseball but it is also great fun for the entire family. I would invite you to join me and my family on this night to enjoy a baseball game and support a great cause. See you all there.

Sincerely,

Christine & Rich Pietrow
